I. RESOLUTIONS

Be it resolved that,

- (1) This LLC has designated NSBC as a depository of its funds and to provide other financial services as provided for in this resolution.
- (2) This resolution shall continue to have effect until express written notice of its rescission or modification has been received by NSBC. Unless modified by this LLC, resolutions adopted by this LLC will remain in effect until NSBC is provided with an express written notice of modification or revocation.
- (3) All transactions on behalf of the LLC with NSBC are hereby ratified, approved and confirmed.
- (4) Any of the persons named below, so long as they act in a representative capacity as agents of this LLC, are authorized to make any and all other contracts, agreements, stipulations and orders which they deem advisable for the effective exercise of the powers indicated below, concerning funds deposited in NSBC, monies borrowed from NSBC or any other business transacted by and between this LLC and NSBC subject to any restrictions stated below.
- (5) Unless modified by this Authorizing Resolution, all prior resolutions adopted by this LLC governing the operation of this LLC's account(s) are in full force and effect.
- (6) This LLC agrees to the terms and conditions of any account agreement properly opened by an authorized agent of the LLC. The LLC authorizes NSBC to charge for all checks, drafts, or other orders, for the payment of money, drawn on NBSC, as long as they contain the required number of authorized signatures for this purpose.
- (7) This LLC authorize NSBC to furnish, at its discretion, credit cards and debit cards to authorized agents of the LLC to facilitate those powers authorized by this resolution or resolutions in effect at the time of issuance.
- (8) This LLC acknowledges and agrees that NSBC may rely on alternative signature and verification codes issued to or obtained from an authorized company agent on this resolution. This includes Personal Identification Numbers (PIN), digital signatures and facsimile signatures on file with NSBC.
