

Step by Step - changing banks made easy!

Step 1 *Open a North Shore Bank business deposit account.* See a Customer Service Representative at any one of our [locations](#). They will help you determine what account(s) work best for your organization.

To make the process as smooth as possible, bring in the following documentation when you come to open your account:

1. Business Profile Form (provided)
2. Entity organizational document (examples below)
 - a. Articles of Incorporation
 - b. Articles of Organization
 - c. Operating Agreement for LLC
 - d. Partnership Agreement
3. Copy of driver's license for each signer on the account
4. In order to determine the best account type for your business, it would be helpful for you to bring your account analysis statement and/or previous months' bank statements.

Step 2 *Stop using your previous deposit account.* Balance your former account and ensure you have enough money remaining in it to cover any outstanding checks, withdrawals, automatic deductions, etc. Allow time for outstanding checks to clear. Destroy your ATM and/or debit card, any unused checks and deposit tickets.

- It may take up to two statement cycles for all outstanding items to clear so don't close your former account too soon.

Step 3 *Transfer your electronic transactions to North Shore Bank.* Review the [Electronic Deposit/Payment Instructions](#) and complete the [Electronic Deposit/Payment Request Forms](#).

Step 4 *Change your account for payroll processing.* If you currently use an outside source to process your payroll, use the [Payroll Processing Request Form](#).

Step 5 *Close your previous checking account.* Complete the [Account Closing Request Form](#) and send it to your former bank.

Business Profile Form

Please complete the following form and bring with you to North Shore Bank.

Quick Reference Information Guide

Once you have opened your North Shore Bank deposit account, the following forms will lead you through the step by step process to relocate your deposit account. Here is a Quick Reference Information Guide to assist you.

North Shore Bank of Commerce Information

ABA Routing #: 091900106
Your New Account #:
Mailing Address: PO Box 16450
Duluth, MN 55816
Phone: 218-722-4784

Former Bank Information

Name:
ABA Routing #:
Your Former Account #:

Helpful Terms:

Electronic Deposits (direct deposit): recurring income that is automatically deposited into your account. Examples include vendor receivables and merchant deposits.

Electronic Payments (deductions): recurring payments that are automatically withdrawn from your account. Examples: include electric, water & gas, and vendor payables.

Electronic Deposit Instructions

To help you get organized, record any reoccurring electronic deposits posting to your former account. Using your most recent statement, fill out the information below.

| Date | Company Name | Account # | Amount |
|------|--------------|-----------|--------|
|------|--------------|-----------|--------|

After you have identified the electronic deposits from your previous bank statements:

1. Complete the Electronic Deposit Form for each source of income.
 - Check with your source of income to find out where you should send the Electronic Deposit Form. They may require the completion of a different form.
2. Attached a voided check from your new North Shore Bank account.
3. Submit one form to each source of income.

➔ Maintain the account at your previous bank until you have confirmation that your electronic deposit is posting to your North Shore Bank account.

Electronic Deposit Form

Complete this form and send to each company making an electronic deposit to your account. Attach a voided check.
